38 Bentley Dr.
Regina, SK.

Objective

Learn while being the best! Using my experiences being at Saskatchewan Polytechnic and my retail knowledge at Best Buy, I want to utilize my skills to bring my best foot forward to tackle any challenge that comes in my way.

Personal Skills

- Great at both collaborating with others as well as learning on an independent basis
- Clear communicator through visual and verbal means
- Honest and always positive
- Strong leadership skills
- Quick learner and is able to adapt fairly quickly
- Excellent problem solving skills through technology
